REPORT OF W. M. U. LEADER

"Mississippi Baptists are proud of the achievments of her women, and I feel sure that Union Association is proud of the work her women are doing.

"In taking a retrospective view of the past years work I find we have progressed in many ways. One thing, we are better organ-

ized, having a Young People's Leader, a Mission Study Leader, a Personal Service Leader, a Stewardship Leader, and a Publicity Leader. When every Society is lined up with these bodies in their work and they in turn lined up with the state leaders- what a power for good!

"We want our slogan this year to be: "To the last woman and child in the Association." It matters not how remote the church may be nor how far they may live from the church we want every woman and child enlisted in a Woman's Missionary Society and its Auxiliaries that the Kingdom of God may come in our own home work and to the ends of the earth.

"I can't close this report without thanking one and all for the hearty co-operation you have given me in everything I have tried to do. May God bless you.

REPORT OF HISTORIAN

Brother Morris made a brief talk in which he told of the organization of the older churches in the association giving dates of their organization with sources of his information. He then gave a brief outline of his "History of Union Baptist Association", and said he expected to complete it soon.

The following resolution offered by Brother Morris was adopted.

Resolved:

1st. That the Association authorize its clerk to have the Minutes collected and bound every ten years and put in Denominational Fire Proof Vaults.

2nd. That a committee of two consisting of Revs. S. R. Young and G. C. Hodge be appointed to act with the writer as an auditing and advisory committee in getting out the History of the Association.

REPORT ON MISSIONS

It is with a feeling of deep gratitude to God that we are able to report the progress made in the various departments in Mission work during the past year.

I

MISSIONS WITHIN THE ASSOCIATION

The plan of associational organization providing for an Executive Board composed of one member from each church has resulted in more efficient service in many associations. Besides providing for regular quarterly meetings with well prepared programs showing the progress of the work in all the churches, this board receives and passes on all the applications from the churches to the State Board for help.

II.

MISSIONS WITHIN THE STATE

(1) Church Building and Church Extension Support

The amount appropriated this year for church building purposes is $27,000.00. The number of churches being assisted from this fund is 49. Of this number 21 are town churches and 28 are country churches.

(2) Missionary Pastoral Support

The Board is assisting in paying the salaries of 100 pastors These pastors are preaching to 153 churches. Ot this number 68 are in town and 85 in the country.

(3) Sunday School Work

Our state Sunday School Workers visited this year 170 churches. 1237 diplomas have been issued for the completion of the Sunday School Normal Manual, and 5077 seal for the completion of other books of the course. 15 city training schools have been held and 51 rural training schools, and in some of these rural schools every church in the country where a school is held has been represented. There are about 250 more Sunday Schools than there were last year.

RESOLUTION ON SUNDAY SCHOOL CONVENTION

In connection with the Sunday School work we would make the following resolution:

FIRST: That a committee of three be appointed to arrange for the time, place, and program of an Associational Baptist Sunday School Convention to meet annually and thus give our time to our own work and not take the time of our people in the Interdenominational meetings for which there is no place now.

SECOND: That we urge all our Sunday Schools to make much of the special programs the last Sunday in March, June, and September.

(4) B. Y. P. U. Work

The B. Y. P. U. is thought of now only as a very vital part of our church life and the church without a B Y. P. U. is as much out of line in Kingdom work as is a church without a Sunday School.

There has been a marked increased interest shown by the country churches during the year and many of these have organized B. Y. P. U.'s They are feeling the need of leaders and are welcoming this organization as it promises them this help. 100 B. Y. P. U.'s have been organized within the state during the past year.

(5) The Baptist Record

The Baptist Record has had hard sailing during the year due to the fact that many churches have put it into the budget thus sending it to each family in the church and by doing this are paying only $1.50 for each subscriber, whereas to print the paper its costs the Record $2.00 for each subscriber. We are glad to report that since the first of January the Record has gained 10,000 subscribers due to the growing recognition of its importance.

(6) The Baptist Book Store

The Baptist Book Store has sold more books this year than ever. We should urge our people to buy from our own book store for the reason that if it makes any profit the profit goes into the State Mission treasury.

(7) The Baptist Press has for several months been making some profit on operation. It is also aiding in making the work of our denomination more efficient.

(8) The 75 Million Campaign

The receipts from the beginning of the Campaign to date are $2,358,816.31. The money has been distributed on the following basis: Foreign Missions, 255 percent; Orphanage .03 percent; Hospital, .053 percent; General objects .018 percent; Southwide objects .04 percent; Christian Education .24 percent.

We shall be compelled to have more cash this fall than we have heretofore received if the work is completed. It is exceedingly important therefore that our churches give themselves to the raising of large sums of cash in order to carry to completion the work as outlined for the year. Thus far since the campaign was launched our work has been carried on without indebtedness. Will you help to continue this record?

(9) Budget-Stewardship Campaign

The Southern Baptist Convention in its May session recommended a Stewardship and Budget Campaign for the whole south. Dr. O. E. Bryan was elected as director of this movement. If the churches give themselves as they should to their work, the next ten years for Southern Baptists will mark the greatest progress than for any thirty years in the past.

MISSIONS BEYOND THE STATE

III

(1) Home Missions

Eighteen years ago, the Board's receipts were for the year $169,988.92. This year the receipts were $1,002,193.07.

In that year the Board reported 10,551 baptisms, this year 38,770. Shortly after 1905 the department of Evangelism was organized and through it there have been 152,846 converts baptized, 208,643 additions to the churches, and 23,260 volunteers for the ministry or definite mission work.

While Southern Baptists have made mighty progress, there are greater needs and vaster opportunities at present than ever before.

Our Home Mission Board is heavily in debt on account of the great enlargment of the work and the falling off in receipts due largely to the deflation in prices in general.

(2) Foreign Missions

Our Foreign Mission work grows. We have now 891 churches in sixteen foreign lands; 211 of these are self-supporting; 442 have their own houses of worship. In addition to the churches we have 2,896 out-stations which gives us a total of around 4,000 stations where the Word of God is preached regularly.

Last year there were 12,611 baptisms, which were 4,720 more than the previous year. We have 103,328 members. These gave $4.23 per capita last year. We have 796 schools which were attended last year by 32,798 scholars. This is about equal to the number of students in our Baptist Schools in the Southland.

We have 1,447 Sunday Schools with an enrollment of 67,407.

The practical suggestion for everybody to take to heart is the debt on the Board for $403,000.00. The biggest need for Foreign Missions this year is for everybody to pay their campaign pledge.

Respectfully submitted,

S. P. Morris
J. V. May
Committee.

23. After singing "Take My Life and Let It Be" the report on Education was read by G. C. Hodge, and adopted.

REPORT ON EDUCATION

"The most powerful agencies of our denomination are our schools and colleges. Extensive and permanent conquests cannot be made for our Master without a trained leadership. A trained Baptist leadership is impossible without unadulterated Baptist colleges. Almost a century ago some Mississippi Baptists realized this fact and laid the foundation for the splendid system of schools which we so proudly claim today. The following are some:

I

MISSISSIPPI BAPTIST SCHOOLS

(1) Clark College, H. T. McLaurin, President.

Clark College is a co-educational Junior College. It is located at Newton which is in one of the most thickly populated sections in the state.

During the summer every room in the dormitories, as well as the class rooms, has been made over. They are as good as new. A new plumbing outfit has been substituted for the old one and a new heating plant installed.

The president claims to have this year the strongest faculty in its history.

Blue Mountain College, W. T. Lowrey, President

Blue Mountain College is now the only Baptist school in the state which maintains a full four year high school course and a full four year college course. In order to standardize, a college must either do away with its preparatory department or make it separate from the college in faculty, students, discipline and buildings. Blue Mountain

College chose the latter because of the fact that there are so many girls who need a Christian boarding school fo rtheir high school course.

Blue Mountain has prepared to meet the conditions for being placed on the recommended list of the Southern Association of Colleges and Secondary Schools.

Extensive material improvements have recently been made and the authorities claim that they have employed the strongest faculty in the history of the institution.

(3) Woman's College, J. L. Johnson, President.

The attendance at the Woman's College was as good last session as could be as all the rooms were filled the year round. The enrollment was over 500.

The Bible and Sunday School and B. Y. P. U. work was as fine as ever done there. Nearly every girl in school belonged to the Y. W. C. A. and they had the largest number of Mission Study classes conducted by students they ever had.

They have just completed the beautiful Mary Ross Hospital which has been built as a memorial of Mrs. Mary Ross, mother of Mrs. Herring of Laurel. Mrs. Herring, a member of the Episcopal church, left this money to be used in memory of her mother. With its equipment, it will cost about $28,000.00 and gives every facility for taking care of the health of the students. They are also building a Science hall.

As a Baptist school, supported by Baptists, the Woman's College is striving to meet the intellectual standards of the time and above everything else, to give to our girls a Christian training in a Christian atmosphere.

Mississippi College, J. W. Provine, President.

The session of 1922-23 stands out as one of the most eventful in the history of Mississippi College.

The enrollment of 410 college men is the largest she ever had.

On account of the increase of the endowment to $640,000.00 the college was admitted to membership in the Southern Association of Colleges and Secondary Schools, thus giving her the standard so much desired among the Colleges and Universities of the country.

The faculty of 1923-24 will be the most outstanding in her long history. These men will bring to their classes the best in scholarship. Every man will be active in Christian service.

The outlook of all our colleges are as bright as one could hope for but they all need and must have our sympaty and prayers.

II

SOUTH-WIDE INSTITUTIONS

Mississippi Baptists help to support and maintain three south-wide institutions of learning. They are the Baptist Bible Institute, located at New Orleans, La., the Southwestern Baptist Theological

Seminary, Fort Worth, Texas; and the Southern Baptist Theological Seminary, Louisville, Ky. Over a thousand of our choicest young men and women were in these institutions last session preparing for definite Christian service at home and abroad.

HILLMAN COLLEGE

While Hillman College is not owned and controlled by the Baptist Denomination, it is Baptist in spirit. It is located at Clinton and M. P. L. Berry is the president. It s a Junior college for girls and has one of the strongest faculties that can be found in a similar kind of school. It is a strong denominational asset and is worthy our prayers and patronage.

All of our Institutions of learning in the state are greatly in need of endowments and scholarships. Thousands, like the woman of old have given their mites. By their sacrificial offerings the entire educational history of Mississippi Baptists have been made glorious. May these continue to increase, but is it not time for some of our brethren who have been largely blessed with worldly goods to make some large gifts to our colleges? They could not invest their money in anything that would endure so long and yield so large dividends. May the Lord speedily open their eyes to the opportunity and quicken their hearts and hands and minds to action.

Respectfully submitted,

G. C. Hodge,
L. L. Posey,

32. The committee to report on Social Service was absent but sent in the following report which was read by Brother Houston Chapman. It was adopted:

REPORT ON SOCIAL SERVICE

Social Service is applied Christianity. It is following the example of our Savior who "Went about doing good." It is putting the leaven of the Gospel into the social lump until society is purified thereby.

Social service is that part of our Baptist Program which seeks to deal with crime, immorality, poverty, disease and everything that cocerns society as a whole. . It looks beyound the case of individual need to the cause of that need and its effect upon society.

We deal with these problems: (1) through preventive measures, sanitation, hygiene, law enforcement; (2) through corrective measures, prisons, asylums, reformatories; and (3) through relief measures, hospitals, orphanages, Good-Will Centers, Care of old preachers etc.

(1). Some such agencies not under Baptist controll, are as follow:

(3 Lawenforcement, we should co-operate with our officers.

(2 Public health, the state Board of health should have our co-operation.

(3 Child Welfare, the Children's Home Society located at Jackson, of which Rev. J. L. Sutton is Superintendent, is one of the strongest agencies in the state for the care of dependent children.

(2). Some such agencies that are under Baptist control.

(1 Mississippi Baptist Orphanage, J. R. Carter, Superintendent.

We feel that much has been done through the efforts of our Baptist Orphanage, and commend it and its work to the prayerful consideration and support of our churches and Sunday Schools.

More than a thousand children have been cared for and trained by our Baptist Orphanage and have gone out to take their places in society, and in our Kingdom work.

(2 Mississippi Baptist Hospital, R. S. Curry, Superintendent. We have now a splendid working staff of Physicians, Surgeons, and Specialists. We have a first class chemical laboratory; a splendid X-Ray machine used for diagnostic work, Within the next few days there will be installed a new and powerful X-Ray machine to be used wholly for the treatment of incurable cases especially cancer cases.

(3 Baptist Memorial Hospital, Joseph Purvis, Superintendent.

The good work of the hospital continues to move forward as is shown by the following figures, Patients admitted 5,-399, (as against 4,168 for the same period last year), of these 602 came from Arkansas, 3,745 from Tennessee, 909 from Mississippi and 143 from other states.

(3). The following are some south-wide institutions supported by Baptists:

The Relief and Annuity Board for the support of aged ministers and their widows.

The Board has now a beneficiary list of between 800 and 900. The number of beneficiaries from Mississippi is now 40. 24 men and 16 widows. These are receiving an agerage of $10.00 a month.

We would urge the people everwhere to pay their pledges to the Campaign so that the aid now being given to these old heroes of the cross may be increased.

Respectfully submitted,

S. P. Morris,
Chairman Com.
